

# A Guide to BEHAVIORAL HEALTH RESOURCES IN THE GREATER NEW ORLEANS AREA

The City of New Orleans Health Department  
Mitchell J. Landrieu, Mayor  
Dr. Karen DeSalvo, Health Commissioner

*A message from Dr. Karen Bollinger DeSalvo, Health Commissioner  
for the City of New Orleans:*

In keeping with Mayor Landrieu's commitment to improve the quality of life for the citizens of New Orleans, the Mayor and I are pleased to present this Behavioral Health Resource Guide. Mental health and substance abuse are significant public health challenges in our City. While we know that we have more work to do to reduce the burden and fill important gaps in services, we can start with providing information about current resources available while we build and improve access for these services.

This guide provides a comprehensive inventory of all behavioral health resources, including important programs, clinics offered by area provider and organizations from the public and private sector. We have also included resources to assist with access to these services such as information on public funding options, websites with more information, and housing and supportive services throughout New Orleans.

The City worked in collaboration with the Substance Abuse and Mental Health Services Administration (SAMHSA) and President Obama's Strong Cities, Strong Communities (SC2) Initiative to compile this guide. We appreciate their technical guidance and dedication to improving the health and lives of our residents. We were also aided by our partners in the local community who helped ensure that the guide was accurate and complete.

As a city, we can improve the health of our population, and our aim is to ensure delivery of affordable, quality healthcare services for all residents. We invite you to use this valuable information to help enhance your health knowledge of available behavioral health resources and make informed choices about health and health care.

Sincerely,

A handwritten signature in black ink that reads "Karen DeSalvo". The signature is fluid and cursive, with the first name "Karen" and last name "DeSalvo" clearly distinguishable.

**Dr. Karen Bollinger DeSalvo**  
Health Commissioner, City of New Orleans
